

Dear MCAC,

Thank you for your continual support for The Gathering, both financially and in prayer. Over the past month, we have been going through some of the miracles of Jesus and exploring how they are relevant to our lives today. It's been an interesting journey as we are awed by what God can do, celebrate what He has been doing within our community, and how we can posture ourselves to be open to seeing God at work.

Every other week, we have been gathering together on a weeknight to socialize, fellowship, and bond over some online group games. These nights have been much needed for many of us amidst the stresses and isolation of the current pandemic. One person noted: "It's great to see so many happy and smiling faces." We hope that as we continue to build our community, we will be a place of hope and relief for those who are going through hardship.

Blessings,
Calvin
